We are seeking exceptional candidate to support the Head of Sixth Form to provide our students with the very best opportunities to succeed academically. This will involve the provision of a high-quality administrative service for the Academy Sixth Form, the supervision of students during their study periods and working alongside the Sixth Form team to ensure that students are maximising their opportunities for academic success by using their study periods effectively.

Our Vision:

“Be the best you can.” This is what we ask of our pupils and our staff.

At Skinners' we have a particular way of working. We believe that teachers are the experts, and that great teaching is based on our ability to instruct and assess to a very high standard. We are influenced by the work of Rosenshine, Engelmann, Young and Lemov among others. If you are familiar with their work, or are willing to learn, then you will likely enjoy our focus on simple, high leverage strategies to improve learning in the classroom.

We believe in the power of the curriculum and so intentionally have the following at the core of our practice:

- A pragmatic approach to pedagogical practice that reduces teacher workload
- Teaching powerful knowledge rather than parroting the knowledge of the powerful
- CPD which is rooted in the best educational research, often with a foundation in cognitive science

Skinners' Academy is on a journey from Good to Great and this has been confirmed by Ofsted in May 2022; “leaders and governors remain focused on doing the right things to improve the school further. They have developed an ambitious and clear long-term plan that outlines how they will reach their vision”. The recruitment of a skilled and enthusiastic **Sixth Form Administrator and Study Supervisor** is crucial to the success of this journey.
